[RMPP New Review Paper by Prof. Qiugang Zong on line]

Dear AAPPS-DPP Members

As of Nov. 30, a review paper by Prof. Qiugang Zong "The interaction of ultra-low-frequency pc3-5 waves with charged particles in Earth's magnetospheres" is on-line.

Thank you for his contribution and also Prof. Yu Lin as Handling Editor.

Visit and download this paper at <https://link.springer.com/journal/41614/1/1/page/1>

I would like to inform you that RMPP has new Associate Editor Prof. Yasushi Ono (JP) in Fundamental in charge of magnetic reconnection and new Associate Editor Prof. A.A. Mamun (BD) in Basic in charge of Strongly-coupled/Dusty/ Quantum Plasma to strength our capability in respective fields.

Sincerely yours,

M. Kikuchi, RMPP chair
