

Dear AAPPS-DPP members

As we announced last month (Jan. 10), we are calling for nomination of plenary and invited speakers for 2nd Asia-Pacific conference on Plasma Physics.

If you have any difficulty to submit through our HP, you can send me by filling attached form.

M. Kikuchi, AAPPS-DPP chair

e-mail dated Jan. 10.

Dear AAPPS-DPP members

DPP HP <http://aapps-dpp.org/DPP2018/submission.html> shows how to submit Nomination of plenary and invited speakers of 2nd Asia-Pacific Conference on Plasma Physics.

Please follow procedures in the attached pdf file. We use system for abstract submission also for this process. So the process is a bit complicated.

Sorry for this but this reduced my burden to receive ~300 nomination via e-mails last year.

I strongly recommend submission by nominee (self submission) even if nomination document is prepared by other person.

If you nominated other person, it is better to register nominee's e-mail. If you use your own e-mail to nominate other person, your e-mail can not be used for nomination of yourself or any other person.

Sincerely yours,

M. Kikuchi, AAPPS-DPP chair

p.s. If you have any question, ask me or aapps-dpp@gakkai-web.net. We will improve our system year by year.
