14th Asia-Pacific Physics Conference, Kuching, Sarawak, Malaysia

17 – 22 November 2019

DEAR REGISTERED PARTICIPANTS

We are delighted to write this newsletter and thank you for your patience as there were of many of you who had registered in February & March 2019.

As expected in April 2019, the number of participants had nearly doubled to 250 and we expect to hit 400 participants by 15 July 2019, the next submission dateline.

The submitted abstracts are being vetted by the various divisions as well as reviewers from the Asia-Pacific region. In the next two weeks, we will send out the Letters of Acceptance to all the participants who had submitted the abstracts on 15th April 2019.

The abstracts for Plasma Physics will be sent out by the AAPPS-DPP in the coming weeks for Invited Speakers and for Oral & Poster by July/August 2019.

We are also happy to announce that the Early-Bird Payment deadline is extended to 31 August 2019. The online payment portal is still under approval by the local regulatory board and we will inform its online activation as soon as we receive approval.

An urgent matter that must be addressed is the hotel rooms. Due to the high demand during the same period as the conference, we request the participants to prepare the booking of their hotels as early as possible. We have worked with the 4 main hotels – Pullman, Hilton, Grand Margherita and Riverside Majestic Hotel to provide delegates with a delegate rate. But we advise you to seek online booking companies such as Booking. Com, Agoda, Hotels Combined for good rates. Hotel registrations forms are enclosed separately.

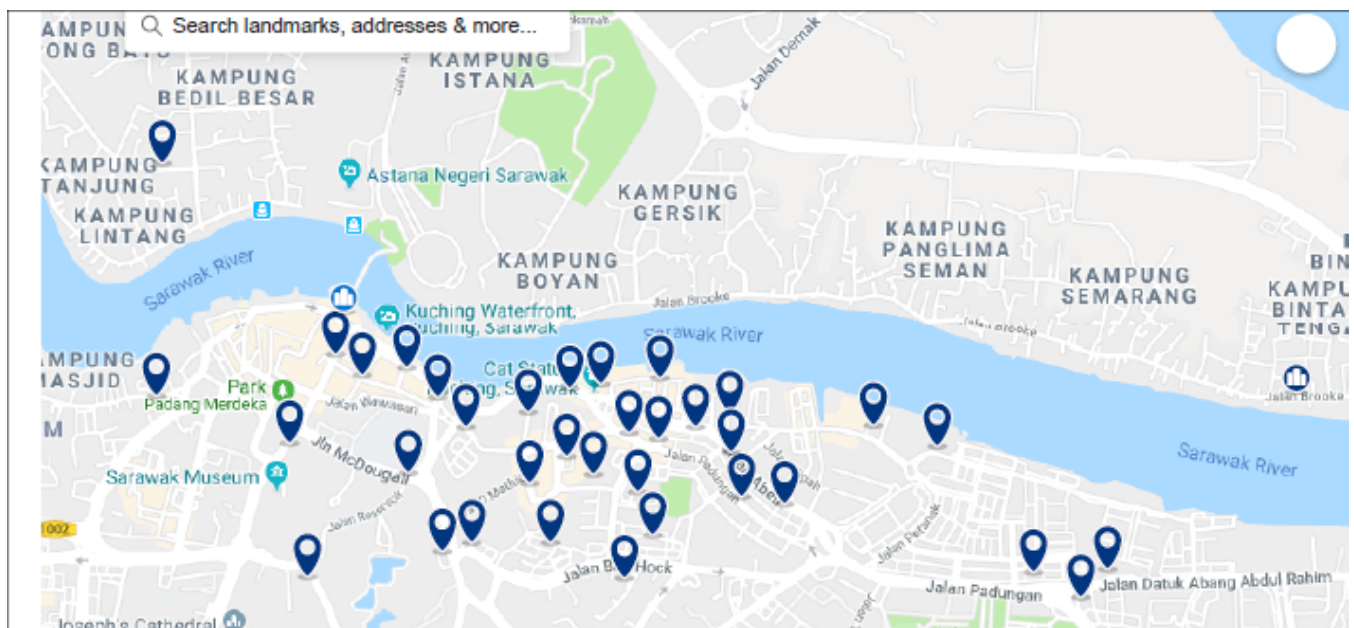

Warm regards,

Kuru Ratnavelu/Tou Teck Yong/Roslan Abdul Shukor
