

2nd Asia-Pacific Conference on Plasma Physics (AAPPS-DPP 2018)

Organized by AAPPS-DPP (<http://aappsdp.org/AAPPSDPP/>)

Dates: 12 (Mon)-17(Sat) November 2018

Venue: Ishikawa Prefectural Bunkyo Hall & The Kanazawa Chamber of Commerce and Industry Hall, Kanazawa, Japan

Topics of AAPPS-DPP 2018

1. Cross disciplinary ICDI

3. Basic Plasma (B)

5. Laser Plasma (L)

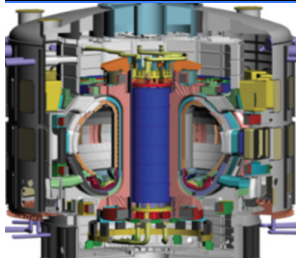

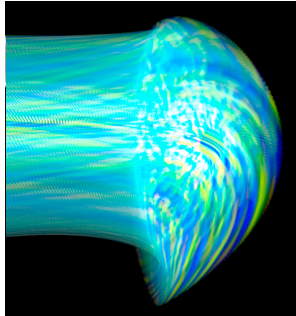

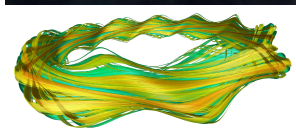

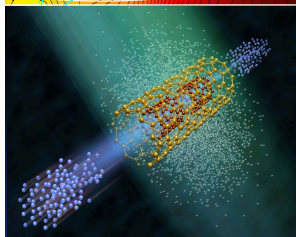

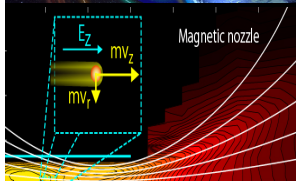

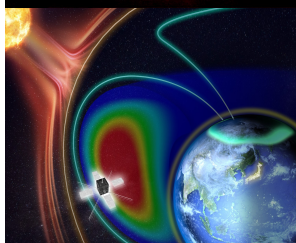

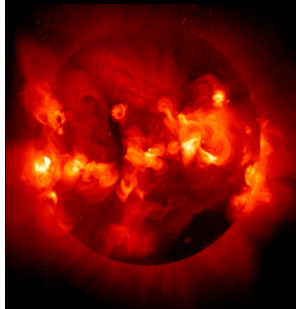

7. Solar/Astro Plasma (SA)

2. Fundamental plasma (F)

4. Applied Plasma (A)

6. Space & Geomag Plasma (S)

8. Magnetic Fusion Plasma (MF)

AAPPS-DPP 2018 is annual conference held by the AAPPS-DPP. First conference was held at Chengdu in September 2017. The conference covers all field of plasma physics and its applications. Call for nomination of plenary and invited and contributed talks will be announced at AAPPS-DPP Homepage. 2018 S. Chandrasekhar Prize Laureate will give plenary and AAPPS-DPP young research award recipients will be selected among participants. AAPPS-DPP also certifies the poster prize for significant works and presentations.

Endorsed by

- Division of plasma physics – APS
- Division of plasma physics – EPS (t.b.c.)
- Physical society of Japan
- Division of plasma physics – CPS
- Division of plasma physics – KPS
- Plasma Science Society of India
- Nuclear Fusion and Plasma Physics –CNS
- Asian African Association on Plasma Training
- Australian ITER Forum
- Astronomical society of Japan
- The Society of Geomagnetism and Earth, Planetary and Space Sciences (SGEPSS)
- Laser society of Japan
- Division of plasma electronics, JSAP
- The Japan Society of Plasma Science and Nuclear Fusion Research (JSPF)

(These society members will have privilege same as DPP member)
