

Dear AAPPS–DPP members

Thank you for submitting contributed abstracts.

Within the deadline we received 104 abstracts.

Submissions to Basic and Magnetic Fusion are reasonable but other sub–disciplines still need more submission to fill oral slots.

We extend deadline for contributed abstracts to May 31.

At the same time, we extend DPP young research award nomination to give more candidates to apply to May 31.

Sincerely yours,

M. Kikuchi, AAPPS–DPP chair
