件名: Circulation of PTS-2020 conference information

日付: 2020年8月15日 13:33:37 JST

Dear Prof. Kikuchi,

Please circulate the information of PTS-2020 conference between members of AAPPS-DPP.

Dear All,

I wish to inform you that the Department of Pure & Applied Physics, Guru Ghasidas Central University, Bilaspur (India) is going to organize two days International e-Conference on Plasma Theory and Simulations (PTS 2020) on 14 & 15 September 2020. The conference sessions will be organized online through Zoom Cloud Meeting. The conference covers diverse research areas of theoretical and simulations results such as Basic Plasma Phenomena, Dusty (complex) Plasma, Quantum Plasma, Laser Plasma Interactions, Nonlinear interactions, Magnetic Fusion Plasma, Space and Astrophysical Plasma and MHD and Fluid Dynamics. The aim of this conference is to interact and discuss on the recent advancements in the emerging fields of theoretical and simulation plasma research. We hope to join around 250 participants from various countries working in the field of theoretical and simulation plasma research.

SUBMISSION OF ABSTRACT AND REGISTRATION LINK

There will be 12 Invited Talks delivered by the eminent plasma physicists. The slots for 10 ORAL presentations is also available in this conference. Interested young researchers can submit an abstract (template attached) of the research work done recently in the field of theory and simulations in plasmas. Best 10 papers will be selected by the committee for ORAL presentations. You will be given 15 minutes for presentation of your research work using ppt slides. Send your abstracts online in .doc/.docx file preferably and register yourself using the registration link <https://forms.gle/VxunyzuEwDSKNMiQ6> on or before 31-08-2020.

There is no any registration fee. Participation/presentation certificates will be provided to those participants who attends all the sessions online. For any query please write on pts2020ggv@gmail.com.

With best regards

R. P. Prajapati
