Dear Kikuchi-san,

I hope this email finds you well.

I'm Kyungtak Lim, currently working with Xavier as an assistant professor at NTU, Singapore.

We have recently opened two postdoc positions (1 for core, 1 for edge) in theoretical and numerical modelling for the STEP tokamak, with an opportunity to spend up to 18 weeks at UKAEA.

(core)

I would be very grateful if you could help advertise these positions among the AAPPS-DPP members.

Best regards,

Kyungtak Lim
