Dear AAPPS-DPP members,

Thank you for your cooperation in AAPPS-DPP.

Elsevier sponsored Student poster prize (Elsevier Student and PhD Poster Award for AAPPS-DPP2025) started from last year (Malacca conference, see https://www.aappsdp.org/AAPPSDPPF/elsevier_posteraward.html).

Here is call for Elsevier poster Prize. We will have 2 winners every year. This poster prize needs "nomination" as specified in the call. Deadline is Sept. 15.

Selection committee chair is Prof. Peter Yoon and vice chair is Francesco Porcelli (EIC of Elsevier journal).

We also have poster prize selection annually among poster presentations from student to senior.

To win those poster prizes, you need to present a good poster to be recognized as significant.

Abstract submission site is still open and we will accept poster presentations.
Sincerely yours,

M. Kikuchi, AAPPS-DPP CEO
