

July 19, 2025

Dear AAPPS-DPP members,

Thank you for your cooperation in AAPPS-DPP.

AAPPS and Chinese physical society will have APPC-16 in Haikou, China during 19-24, Oct 2025 (<http://appc16.scimeeting.cn/en/web/index/24735>), where DPP's distinguished member Prof. Jie Zhang is chair of IOC.

Plasma Physics Program is organized by DPP and 27 invited speakers will be selected.

Applied: R. Rawat (NTU) and Tao Shao (IEE-CAS), 9 invited(25min), 3 short
Invited (15) and 3 orals

Magnetic Fusion: Jinping Qian (IPP-CAS), 9 invited(25min), 3 short invited (15)
and 3 orals

Solar/Astro and Space: Feng Yuan (Fudan U.) and Quanming Lu (USTC),
9 invited(25min), 3 short invited (15) and 3 orals

You may contact them if you are interested.

Deadline for abstract submission is August 15.

Haikou is more accessible than Fukuoka from South Asia while DPP don't have travel support.

Sincerely yours,

M. Kikuchi, CEO

p.s. Historically DPP participate quite strongly in APPC series.

APPC-12 (2013) in Japan (Makuhari): 300 among 1290 participants.

APPC-13 (2016) in Australia (Brisbane): ~100 among 200 APPC-13 participants.

APPC-14 (2019) in Malaysia (Kuching): >90 among 512 participants.

APPC-15 (2022) online conference.
