dear Prof. Kikuchi,

could you be so kind to advertise the following special issue of the journal “**High Power Laser Science and Technology**” dedicated to direct-drive inertial fusion?

Deadline for submission is 30 November.

The special issue is advertised on different web site including

<https://researching.cn/hpl/journalnewsdetails/f04f93b3-c62c-4b5c-b352-3a0d82c6d2d5?type=recommendation>

Thanks a lot in advance for your help!

Best regards,

Dimitri batani
