

November 18, 2025

Dear AAPPS-DPP members,

Prof. Yun informed PPCF outstanding paper prize below.

M. Kikuchi, CEO

差出人: □□□ (□□□□□□□□) <gunsu@postech.ac.kr>

件名: PPCF Outstanding Paper Prize 2026 - MCF papers published in 2022 and 2023

日付: 2025 年 11 月 18 日 6:25:32 JST

宛先: Mitsuru Kikuchi <aapps.dpp.ceo@gmail.com>

CC: "kikuchi.mitsuru@adpp.url.cx" <kikuchi.mitsuru@adpp.url.cx>

Dear Kikuchi sensei,

May I ask you to share the following prize announcement with the AAPPS community?

Thank you,

Gunsu.

=====

PPCF Outstanding Paper Prize 2026

PPCF is pleased to announce that nominations are now open for the 2026 PPCF Outstanding Paper Prize:

<https://iopscience.iop.org/journal/0741-3335/page/PPCF-Outstanding-Paper-Prize-2026>

The 2026 prize will recognize exceptional papers published in 2022 and 2023 this time with a focus on magnetic confinement fusion.

(Note: MCF - every even year is dedicated to MCF, and every odd year is dedicated to non-MCF).

Help us celebrate excellence in MCF by submitting your nomination to papers you feel have made a significant impact.

The winning paper will be celebrated at the 2026 EPS Conference in Edinburgh, where the main author will be invited to give an oral presentation.

The top 10 short-listed papers will also be showcased at the conference.

Nominations can be supported by one or more colleagues, but authors cannot nominate their own papers.

Topical review articles are not eligible.

The deadline for nominations is 31 December 2025.

The 2024 prize gathered many MCF community nominations, and we hope to again see excellent engagement for the 2026 prize.

For your interest, the PPCF page dedicated to the 2024 prize on MCF can be seen here:

<https://iopscience.iop.org/journal/0741-3335/page/PPCF-Outstanding-Paper-Prize-2024>

Please send any questions about the prize to ppcf@iopublishing.org
