

January 5, 2026

Dear AAPPS-DPP members,

EPS-PPD 2025 PC chair Fernanda informed us following abstract submission site.

If you plan to join, please visit this site.

Sincerely yours,

M. Kikuchi, CEO

Dear all,

Happy New Year.

Indico is now open for submissions of Contributed Orals and Posters.

European Physical Society Plasma Physics Conference 2026 (29 June 2026 - 3 July 2026): Overview · Indico

<https://indico.ukaea.uk/event/449/>

If you have problem opening Indico site, you can also find information at

<https://epsplasma2026.com/>

You are invited to register to be able to look at the abstracts uploaded in the various sub-topics (the link to the Reviewer Area is on the left menu, just below the Call for abstract). Like we have done for the Plenary/Invited submissions, we'll circulate an excel file updated every week or so, and the scoring will also be done on an excel file rather than on the Indico site (it's easier, I hope).

Let me know if you have trouble registering or viewing the abstracts

Regards

Fernanda
