Dear AAPPS-DPP members,

Below is announcement of post-doctoral position at KPSI.

If you are interested, please read the guideline and apply by deadline.

Dear Kikuchi san,

We announced a post-doctoral position in my Project, could you please kindly distribute this info among the AAPPS-DPP members? The Project is connected with BISER, attosecond pulses, and x-ray imaging:

(there may be several positions in this category, the one in my project is 25141, Work theme = Imaging with octave-bandwidth coherent x-rays - towards atomic spatio-temporal resolution).

The application deadline is 2026-January-20.

(To answer practical questions: an online interview is possible; application at the final stage of the PhD course is also possible, but the job can start only after obtaining the PhD).

Yours sincerely,

Alex.
