

February 8, 2026

Dear APPS-DPP members,

Our BoD member, Prof. Shiratani informed following conference to be held in July.

Please join if you are interested.

Cheers,

M. Kikuchi, CEO

Subject: Invitation to Submit to Emerging Plasma Nanotechnologies at IEEE NANO 2026 (Hybrid Conference)

Dear APPS-DPP Members,

I hope this message finds you well.

We are pleased to inform you that the 26th IEEE International Conference on Nanotechnology (IEEE NANO 2026) will be held on July 5–8, 2026 in Nanjing, China, in a hybrid format (both onsite and online participation).

The conference features a wide range of technical tracks, including the important and rapidly expanding area of Emerging Plasma Nanotechnologies.

We would like to warmly invite you to submit your latest research contributions to this topic area.

 **Scope: Emerging Plasma Nanotechnologies**

This topic covers advanced plasma-based processes, plasma–material interactions, nanomaterials synthesis, diagnostics, and plasma-enabled device technologies within the broader nanotechnology field.

 **Submission Deadlines**

According to the official submission guidelines:

Full Paper Submission Deadline: March 1, 2026

Short Abstract Submission Deadline: April 10, 2026

Accepted full papers will be included in the IEEE conference proceedings and indexed in IEEE Xplore.

🌐 Submission & Conference Information

Conference Website: <https://2026.ieeenano.org/>

Submission Guidelines: <https://2026.ieeenano.org/submission/>

Submission Portal: <https://nano.papercept.net/conferences/scripts/start.pl>

You are encouraged to take advantage of this hybrid meeting format, which allows participation regardless of travel constraints.

Should you have any questions, please feel free to contact the conference organizers through the official website.

We look forward to your active participation in IEEE NANO 2026.

Warm regards,

Masaharu Shiratani

Senior Vice President, Kyushu University
